

SUPPORT FOR OLIVER'S MEMORIAL FUND

Local toddler, Oliver Newnes was just 2 years old when he tragically and unexpectedly died of a rare brain abscess. Since then his parents have worked tirelessly to raise money for the two hospitals that cared for their son, namely the baby wards at the Countess of Chester Hospital and Alder Hey Children's Hospital.

As part of their fundraising a Charity Golf Day was organised recently and Specialty Chemicals Company Innospec Limited based in Ellesmere Port donated a cheque for £250.00 to part sponsor the event.
